Week 11 - 12/08/13 Report:

#2: Would you guess that the S&P 500 index will move higher or lower next week? (from Monday's open to Friday's close)

Higher: 61.54%

Lower: 38.46%

#3: Rate your level of confidence in your answer to Question #2.

Average of All Guesses: 57.69%

Average For "Higher" Guesses: 58.75%

Average For "Lower" Guesses: 56.00%

#1: What economic, political, or other news and events are you expecting to happen next week that might have a positive or negative effect on the markets?

- Holiday retail numbers
- The new trend of the bitcoin technology and robotic machinery of boosting a new currency to target the market of cybers future generation globally. Revolutionary bitcoin future digital financial market of the educational world of data information technology
- The elves will fall behind schedule due to unexpected wintery weather threatening a delay to Christmas deliveries. They read the wrong weather forecast... Thanks a lot AI!
- haven't really looked at anything.
- Taper Talk
- economic reports and ongoing health care fiasco
- Results from the storms,
- charts look top heavy
- Budget deal with tax reform
- Federal Reserve announcements.

#4: Bitcoin has been in the news a lot lately. What are your thoughts on the currency? Have you used it? Are you trading/investing in it?

- Not used, not interested
- Well up dates with all the news that hit the media network as as the presentation advertizement.
- What's a Bitcoin? No no no monopoly money stay away!
- don't know anything about it.
- World's biggest Ponzi scheme
- very uncertain no no
- I am waiting for the storm to blow up. The early ones will make money. I believe. I believe that an international currency is needed, but there are no controls. What backs this up when the Sxxt hits the fan..

- Scam and no and no
- great instrument for laundering money
- My son in law has used it back one dollar a coin . His brother is making the coins now and has for the last two years . Both only have a few coins left
- Seems ponzi like scheme to me. No. No. and No.

#5: Comments/Questions/Suggestions?

- Great with all educational information update that was sent out to the market for consumers and businesses the globe is all part of the universe of technology for cross-multicultural medley
- I will continue to forecast the market to rise until I see some significant weakness. The old saw "don't fight the tape". A few slightly down weeks are not a concern for me.
- Confused
- It will be an interesting year end!
