STOCK SPOTLIGHT REPORT #3 - AUGUST 15th, 2021: This new weekly report series will provide info on one exciting stock that investors may want to assess for their portfolio. This is a BETA TEST and will further develop it over time. Please send any feedback [HERE](#).

NYSE: LTHM

Livent Corporation

COMPANY INFO:

Livent Corporation (NYSE: LTHM) spun off as an IPO from FMC Corporation in 2018, but has been around since the 1950s. According to their investor presentation document, “Livent is a leading vertically integrated pure-play producer of low cost lithium, selling to leading electric vehicle OEMs and battery manufacturers worldwide.” Their “battery qualified” lithium go into batteries for electric vehicles, power tools, and other products, while they also use lithium to produce high performance greases, polymers, alloys, and more. They have partnerships with Tesla, BMW, and the US military.

LTHM’s market cap is currently around \$4 Billion, with an average daily share volume of about 3 million. The company currently pays no dividend. The stock is up about 255% over the last year with most of that move happening late 2020 along with a recent breakout higher since late July.

LTHM may be a stock to consider for higher-risk, but aggressive long-term growth.
